

Job Title: Scenic Carpentry Warehouse Operative
Location: Stotfold
Job Type: Permanent
Hours: Full time
Salary: Circa. £18,000 - £20,000 dependent upon experience
Benefits: 20 Days Holiday + Bank Holidays and Pension Scheme.

Our scenic workshop has grown over the past 3 years and has expanded to include the use of a CNC machine to create imaginative set for client events all over the UK and Europe.

Within our carpentry workshop we are now looking to recruit a warehouse operative to work with our team of experienced carpenters and textile finishers to assist with day to day running of this area. In our industry we have very tight deadlines that we need to meet, hence an organized and tidy environment is essential.

You will be very hands on and ready to pitch in. Driving will be a must for this role as kit needs to be moved between our two main sites in Stotfold and Letchworth; and further afield to venues where the set will be installed for our client's events.

Main role will include:

- Working in a busy scenic workshop with experienced carpenters
- Driving box vans and sprinter size vehicles
- Loading and unloading scenic kit
- Maintaining clean and tidy workshop areas to adhere to health and safety regulations

You must have/be:

- Full UK driving licence
- An eye for detail
- Conscientious
- Able to work on your own unsupervised
- Be able to follow instruction in workshop and on site
- Flexible with working hours and overtime where necessary
- Physically fit
- Confident with numeracy

Desirable:

- Basic carpentry knowledge

If you wish to join our team, please e mail recruitment@productionplus.co.uk and add 'Scenic Op' to the subject field.
