

Production Plus

Production Plus is a well-established Production Company with a 35-year track record of delivering high-end technical production. We are based in Hertfordshire and supply our client's technical production needs all over the UK (mainly London), Europe, USA and EMEA.

This is a permanent role for a HGV1 /C+E, based at our Head Office in Letchworth Hertfordshire.

The Role

To drive C+E / C / Vans to our sites and client venues across the UK and Europe

This is a very varied role where no two days are the same.

You will be required to deliver and collect our technical equipment to client premises/hotels/venues across the UK.

A good personal appearance and professional attitude to others is requisite

Happy to work various hours and occasional weekends

Driving in London is essential

Job responsibilities will include:

- Driving C+E / C / Vans
- Keeping the fleet presentable
- General maintenance (Bulbs/Sundries etc)
- Overseeing loads and unloading both in the warehouse and on site
- Working as a larger team of people to deliver our events
- Collating and acting on defect sheet reports

Candidate requirements

- C+E UK driving licence (Max 6 points)
- Be able to work as part of a larger team and on their own initiative
- Have a flexible approach to working hours
- Fluent in both written and spoken English
- Eligible to work in the UK
- Passport
- A sense of humour and can-do attitude

This role is salary paid @ Circa £30K

Direct report is currently to the Operations Director
